Supplemental Amendment dated April 30, 2008
Reply to Office Action of October 9, 2007

Docket No.: 65583(71678)

REMARKS

Reconsideration of the subject application in view of the preceding amendments and the following remarks is respectfully requested. Claims 1-15 are pending in this application.

Claims 1 and 14 have been amended herein to more particularly recite what Applicants regards as the invention. No new matter has been added by these amendments. Moreover, the amendments made herein do not impact the arguments made in Applicants response filed on February 11, 2008, with respect to the patentability of the claimed invention over the prior art cited by the Examiner, and therefore, the arguments will not be repeated herein.

It is respectfully submitted that none of the prior art of record, alone or in combination, teaches, discloses or suggests the invention as presently claimed. Based upon the foregoing favorable consideration of Claims 1 – 15 is respectfully requested. If it is believed that an interview would advance prosecution, the Examiner is invited to call Applicants' representative at the number below.

The Director is hereby authorized to charge any fees due or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1105, under Order No. 65583(71678).

Dated: April 30, 2008

Respectfully submitted,
